A Correction on

[Perivascular diffusion and white matter free water improve identification of cognitive impairment in cerebral small vessel disease](#)

by Yang, C., Cai, S., Wang, B., Zhou, J., Wu, D., Li, M., Geng, W., Wu, L., Peng, K., Yang, Y., and Gu, W. (2026). *Front. Neurol.* 17:1879894. doi: 10.3389/fneur.2026.1879894

An incorrect grant number was provided for the Health Scientific Research Project of the Pudong New Area Health Commission, General Project. The grant number was erroneously given as “20251021112237092”. The correct grant number is “PW2025A-16”.

The correct Funding statement is:

Funding

The author(s) declared that financial support was received for this work and/or its publication. This work was supported by the Health Scientific Research Project of the Pudong New Area Health Commission, General Project, under the project entitled “Preliminary Study on Artificial Intelligence-Enabled Rapid Imaging Screening and Follow-Up of Cerebral Small Vessel Disease” (grant no. PW2025A-16). The funder had no role in study design, data collection, data analysis or interpretation, manuscript preparation, or the decision to publish.

The Ethics statement was erroneously given as: “The study was conducted in accordance with the Declaration of Helsinki and approved by the Ethics Committee of Punan hospital in Pudong new district, Shanghai, China (KS2643, approved on 27, April, 2025). The studies were conducted in accordance with the local legislation and institutional requirements. The participants provided their written informed consent to participate in this study”.

The correct Ethics statement is:

Ethics Statement

The study was conducted in accordance with the Declaration of Helsinki and approved by the Ethics Committee of Shanghai

Punan Hospital of Pudong New Area (PN2022002; approved on 17 January 2023). The studies were conducted in accordance with the local legislation and institutional requirements. The participants provided their written informed consent to participate in this study.
