In the version of this article initially published, in Fig. 1f, the y-axis label “Cryptophyta” incorrectly appeared in bold instead of the “Chrysophyta” label; in Fig. 2a, b, the current y-axis labels “Correlation coefficient (ρ)” appeared originally as “Coefficient (ρ)”; and in Fig. 3a, the y-axis label now reading “Interaction coefficient” appeared originally as “Coefficient (ρ).” In Extended Data Figs. 5 and 6, the images and legends were earlier, incorrect versions and are now updated. The figures have been amended in the HTML and PDF versions of the article.
