

AN EFFICIENT METHOD FOR GENERATING A DISCRETE UNIFORM DISTRIBUTION USING A BIASED RANDOM SOURCE – CORRIGENDUM

XIAOYU LEI

Doi:[10.1017/jpr.2022.111](https://doi.org/10.1017/jpr.2022.111), Published online by Cambridge University Press, 07 March 2023.

I have received correspondence claiming that Lemma 1 of my paper [1] follows as a particular case of the Theorem stated in Section 1 of [2]. I want to acknowledge that this claim is correct and apologise for my oversight. I was unaware of [2] when I wrote [1].
