<https://doi.org/10.1007/s10653-026-03377-4>

In this article, Dr. Francisco Guerrero was inadvertently omitted from the list of contributors responsible for investigation, data collection, and formal analysis. The 'Author Contributions' statement has been revised to read as follows:

All authors contributed to the study conception and design. Investigation, data collection, and formal analysis were performed by E. Moreno, M. Gómez-Pozuelos, F. Guerrero, J. M. Conde, and I. de Vicente.

The original article can be found online at <https://doi.org/10.1007/s10653-026-03377-4>.

Analysis of emerging contaminants was performed by C. Postigo. A. Lupión facilitated fieldwork within the Fuente de Piedra Nature Reserve. The first draft of the manuscript was written by Emilio Moreno and Inmaculada de Vicente, and all authors commented on previous versions of the manuscript. All authors read and approved the final manuscript.

The original article has been corrected.
