<https://doi.org/10.1007/s11356-021-12838-5>

The Editor-in-Chief and the Publisher have retracted this article.

Following publication, it was identified that the peer review process was not conducted in accordance with the journal’s policies. As a result, the integrity of the peer review and the subsequent editorial decision seems to have been compromised. The Editor-in-Chief therefore no longer has confidence in this article.

The authors have not explicitly stated whether they agree or disagree with this retraction.

**Publisher’s Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
