Retraction Note: Environmental Science and Pollution Research (2019) 27:7130-7144
<https://doi.org/10.1007/s11356-019-07372-4>

The Editor-in-Chief and the Publisher have retracted this article.

After publication, it was brought to our attention that the Peer Review process that led to the publication of this article appears to have been compromised. The Editor-in-Chief therefore no longer has confidence in the integrity of the article.

Publisher's Note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The authors disagree with this retraction.

The original article can be found online at <https://doi.org/10.1007/s11356-019-07372-4>.
